

**BEDFORD COUNTY RESIDENTS:
HOUSEHOLD HAZARDOUS WASTE COLLECTION
AT THE BEDFORD COUNTY LANDFILL**

A Special Collection Event will be held on **Saturday April 18, 2009** for the purpose of collecting Household Hazardous Waste. This event allows Bedford County residents to recycle potentially dangerous items that are often found while cleaning basements and garages in a safe and environmentally conscious way. The materials will be collected from Bedford County residents at **no charge**. Materials may be brought to:

**Bedford County Landfill
7:30 AM – 12:00 Noon
Saturday April 18, 2009**

Items accepted for Household Hazardous Waste Collection include:

Alkaline batteries	Car batteries
Automotive fluids	Cleaners/Solvents
Oil – based paints	Pesticides
Fluorescent light bulbs	Stains/Thinners
Pool cleaners	Gasoline/Kerosene
Drain openers	Flammable liquids
Rechargeable batteries	Cell Phones
Household cooking oil	

Items NOT accepted include: latex-based paint, waste from individuals not residing in Bedford County, commercial/business waste, farm waste, 55-gallon drums, ammunition/explosives, and medical waste.
